## Smart Carvings at Small Cost!

THREE E. C. NO. 102 SINGLE SPINDLE CARVING MACHINES READY FOR SHIPMENT TO A PROMINENT SOUTHERN MANUFACTURER

It's easy to add eye appeal to your product, and it can be done so inexpensively when you operate a new E. C. Carving Machine.

Just as time has tested the value of decorative carvings in supplying the impetus to furniture sales, so has time tested the superiority of the E. C. Carving Machines.

E. C. makes two sizes—the No. 102 with 1 HP motor and the No. 104 heavy duty Carver with extra large spindle and 2 HP motor.

*Write for our new bulletin No. 102—It's free and very worthwhile.*
